

DISCOVER PUT-IN-BAY

Please be respectful of private and public property during your island visit. We are in Ohio and Ohio laws are enforced, including Ohio's drinking laws, litter laws, and non-smoking laws. You must be 21 to consume alcohol in Ohio and you must have a valid driver's license to operate a golf cart — a licensed motor vehicle.

We invite you to stop by in person at our visitor center at The Depot, on the corner of Delaware and Toledo Avenues, where the downtown bus and the Island Tour Train are located.
