SOCIAL MARKETING

Deliver tailored, promotional, and educational content via the Chamber's social media profile and instantly tap into over 35k+ followers in our social network, including Facebook, Instagram, Twitter and TikTok. PIBCC average Facebook reach is over 5,000 people with a single post.

Social Post

Member provides the image, video and/or message, and the PIBCC will post to our audience at peak engagement times developed by Chamber calendar and member requested timetable. This perk is available to all friend members for up to, but not limited to, three (3) free posts per year. Use this benefit to market your event, specials, sales, or your business in general.
